

## On arrival by long-distance trains:

When arriving at "Duesseldorf Flughafen" follow the "Sky-Train" signs and take the Sky-Train to Terminal C.

Leave the Sky-Train area to the left and follow the Departure signs. After arriving in the Terminal turn to the left and follow the signs for the Maritim Hotel.

After a very short distance outside, walk through the hotel lobby, cross the square in front of the hotel and head directly towards our building across the street. Walking distance: 5 minutes.
